

To enter the control room
you have to count how
many meters the lift
travelled to go down

The background features a large, faint watermark of the word 'PSCAD' in a stylized font, with 'P' and 'S' in blue and 'C' and 'A' in green. Below the text is a circular diagram with concentric circles and radial lines, resembling a radar or a network diagram. A green dotted line with a small green circle at its end is also visible, extending from the center towards the bottom left.

Look around you,
a light will tell you where
the badges are!

What is the operating
temperature of the LHC
magnets?

What kinds of quarks
are the
three quarks in the
proton?
